

# RECLAIMING LABOUR

With Labour's worst general election result since 1935, the Tories can spend the next five years doing what they want to the country. This could mean more foodbanks, more homelessness, and a worse NHS.

We know that the Labour party needs to regain people's trust. If we have the right policies and leader, we know we can win, but we can't do it without you.

**This means joining the Labour party. It's really easy.**

The rules state that **anyone joining up to the 20 January will get a vote in the leadership election.**

1. Go to <http://join.labour.org.uk>
2. Click on the right membership level – it's £4.30 a month standard, £2.21 a month reduced (if you're aged 20-26, retired, unwaged, work part-time, or a member of an affiliated union), or £3.00 a year (if you're 14-19, a student, or a current or former member of the armed forces).
3. Submit your details
4. Receive your confirmation email and membership card in the post
5. Look out for your ballot on the 21 February!
